Unless the Lord builds the house, its builders labor in vain.

--Psalm 127:1

Dedication of the home built by Habitat for Humanity for Kirsten, Scarlet, Brooklyn and Jack Morence

Welcome

-- Sue Carroll,
Executive Director

Opening Prayer

-- Pastor Ken Bremer
Pilgrim United Methodist Church

From our dreams, our faith and our hard work, this house became a reality. It began as a stirring in our hearts and is now a beacon of God's love. We fashioned our plans and built these walls. We pray that the spirit of God's love will surround this place.

Family and friends will gather for joyous times in these rooms. They will build memories of home as they share God's love. Over the years, the Morence family will know good times and challenging times. We pray that God's love will sustain them.

We humbly ask God's blessings on this new home and trust that God will guide the hearts and minds of this family to create a home filled with love, hope and joy.

Introductions & Recognition

-- Sue Carroll

Dedication of the Home

-- Pastor Ellen Zienert
First United Methodist Church

Eternal God, bless this home. Let your love rest upon it and upon Kirsten, Scarlet, Brooklyn and Jack as they live within these walls. Surround them with the love and care that built this house.

Guide their hearts and minds toward creating a home filled with love and joy, a house with foundations that are strong, resting on hope for the future and confidence in the reverence of life.

Let the foundation upon which this home sets be as solid as the steadfast love and faithfulness in which you hold them. Let these walls which surround them hold them as safe as do the arms of your providential care wrapped around them.

Let the roof over their heads be a constant reminder of the shelter they find beneath the wings of your blessing. So, reign in their hearts and in their home that this house may be for them a haven of blessing and a place of peace. Through Jesus Christ our Lord. Amen.

Final Blessing

-- Pastor Ellen Zienert

Lord, be close to your servants who will move into this house and ask for your blessing. Be their shelter when they are at home, their companion when they are away, and their welcome guest when they return. And at last receive them into the dwelling place you have prepared for them in your Father's house, where you live forever and ever. Amen.

Returning the Dirt to St. Johns
